ROWMARK PROMOTES BETH LINHART TO VICE PRESIDENT OF HUMAN RESOURCES

FINDLAY, OHIO – Rowmark, LLC is proud to announce the promotion of Beth Linhart to Vice President of Human Resources.

Linhart has been with Rowmark for more than six years, joining the company in the Marketing Department in July 2000. In 2004 she was assigned to current role as Director of Human Resources.

Linhart will continue to oversee all human resource activities for Rowmark and Premier Material Concepts, the company's custom products division.

"Beth has contributed to the success of our company over the past six years," said Rowmark President and CEO Duane Jebbett. "She has supported our company's employee base as it has nearly doubled during that time, and we look forward to having her on board as we continue to grow."
