**ROWMARK, INC. GIVEN “CORPORATE GOOD SCOUT AWARD” BY BLACK
SWAMP AREA COUNCIL OF THE BOY SCOUTS OF AMERICA**

FINDLAY, OHIO – Rowmark, Inc. was presented with the “Corporate Good Scout Award” by the Black Swamp Area Council of the Boy Scouts of America at a ceremony held on May 16. This annual award recognizes the corporate citizen that understands the importance of giving back to the community through financial and volunteer support.

Rowmark is actively involved with the Black Swamp Classic, a fundraising golf outing for the Boy Scouts that is now in its seventh year. Each year, Rowmark creates individual sublimatable plaques and personalized gifts on-site for the more than 280 golfers at the tournament as well as providing full-time volunteers the day of the event. This year, the outing raised more than \$90,000 for the multi-county Black Swamp Area Council.

“We are extremely grateful to receive this award from the Boy Scouts,” said Rowmark President and CEO Duane Jebbett. “It is a wonderful organization, and we are happy to lend any support that we can to this worthy cause. I accepted this award on behalf of our company’s founder, Fred Kremer, who was often quoted as saying, ‘Leadership is best demonstrated by giving back to others.’ We are also very lucky to have the support of Universal Woods and Sawgrass, Inc., who help make our role in this event possible.”

Each year, Rowmark donates financial and in-kind support to charitable organizations in the Findlay area and across the United States, making it one of Findlay’s most philanthropic companies.
